  - 2.1. Phone lines: ongoing: C. Hawkes raised new concerns about the telephone system. We will urge more villagers to complain direct to their provider. G.Y to draft a letter to Charles Kennedy regarding the ongoing issues with phones and Broadband. G.Y to contact Lesley Scott regarding their specific problems highlighted recently in the local press.
  - 2.2. Road issues: ongoing. Speed Limit: Another letter sent to B. Mitchell regarding his lack of action since two years ago. B. Mitchell also contacted about the Callop Bridge safety. D.Gibson will follow up by phone. A letter is to be drafted and circulated regarding this accident black spot. It is hoped villagers will sign this to support action.

  - 2.5. Out of hours post-box: Approved and to be fitted shortly.
  - 2.6. Flowers: G.Y to contact interested parties about progressing the idea of a planting project. This will coincide with an Autumn Village Tidy and bulb planting season. See date below.
  - 2.7. Marine Harvest: Following on from Ben Hadfield & Allan MacMaster's meeting with the Community Council, a meeting was held with affected residents. Solutions were discussed and agreed.
3. Correspondence

  - 4.2. Church Path works: C & R Hawkes wrote to commend the improvements made to the route. The Council would like to second these sentiments.
  - 4.3. School Transport: The issue of changeable bus stopping points in the upper village was raised by C. Hulewicz. This is a safety issue due to the lack of continuous pavement by the main road. Council to write to Shiel Buses on the residents behalf and copy to Councillors and school transport contacts.
