### **Points to Note:**

- 1. Duration of the expedition is 60- 65 days. There will be no refunds for any unused period/service*
- 2. Sherpa’s summit bonus is not included in our price ( Normally its \$US 600.00 per sherpa)*
- 3. All emergency evacuation is by road. There is not helicopters service in this area of China/Tibet. The client is responsible for this cost if required and has to be paid to the Chinese Liaison at base camp. Each vehicle (Jeep) is \$US 700.00*
- 4. Our price is based on the group entering and exiting the border at the same time, as one group. Consequently if persons decide to leave at different times the cost of the vehicles may*

*be \$700.00 per jeep and is chargeable to those traveling out with the group planned travel dates. Jeep availability is dependant on the Chinese and out with our control, although they always endeavor to have one emergency vehicle available*

- 5. Members travel allowance is 40 KG by yak from BC to ABC and return at the end of the expedition. . Should personal baggage exceeds this, then extra yaks or porters will be charged direct to those who use the extra service*
- 6. Other charges for arriving or departing the expedition outside the planned travel dates will be charged. Indicative rates for Chinese immigration charges are 165Yuan (approx \$US25.00) and travel from the border to Katmandu approx \$US100.00 per single trip.*
- 7. Seven (7) bottles of Oxygen and mask and regulator are included per climbing members in our price. Should regulators or masks not be returned to us by the end of the expedition they will be charged for at cost-plus administration basis.*
